

Liquidity Lighthouse Announces Availability of Campaign Toolbar Buttons

Liquidity Lighthouse today announced the release of a new version of FirstButton™. New Toolbar Buttons are now available for download.

Dallas, Texas ([PRWEB](#)) October 15, 2008 -- Liquidity Lighthouse today announced the release of a new version of FirstButton. To celebrate the exciting election season, Toolbar Buttons are now available for download at www.firstbutton.com.

About FirstButton™

FirstButton technology enables visitors to install branded toolbar buttons on their browsers with minimal effort. A company's brand can be inserted on the Standard Toolbar at a preset position, without using customization panels. Removing the Button is a snap, using the Add/Remove Control Panel available in Windows.
